## “SIGNS OF GODS RISING REFORMERS”

### Acts 17:26-27

“From one man, Adam, he made every man and woman and every race of humanity, and he spread us all over the earth. He sets the boundaries of people and nations, determining their appointed times in history. He has done this so that every person would long for God, feel their way to him, and find him—for he is the God who is easy to discover! It is through him that we live and function and have our identity; just as your own poets have said, our lineage comes from him.”
